Mr. Einer O. Mohn
Ass't. to the General President
International Brotherhood of Teamsters
100 Indiana Avenue, NW,
Washington 1, D.C.

Dear Einer:

In reference to your letter of May 25th I am sending express to your office the National Warehouse files that are located in San Francisco and have notified Hazel, in Seattle, to do likewise with the files in her possession.

Regarding the Fry Roofing Company in San Leandro an election was held and won by a subsidiary Union of a Carpenters' Local in that Area about ten months ago.

The Company refused to bargain with the Union winning the election and a strike has been in progress in that Plant for the last eight months.

It is my opinion that to attempt to take on this Company, individually, is of no use and until such time as we proceed Coast-Wide Organizationally on this Plant it is better that we leave it alone.

Hoping yourself and Lee are in good fettle, I am

Sincerely yours,

Joseph M. Dillon
Director
